### **MISSION STATEMENT OF HOLY CROSS SCHOOLS**

In keeping with Holy Cross charism of education, we shall avoid no sacrifice, and leave no stones unturned in providing holistic and quality educational opportunities to the young entrusted to our care, who hail from a wide range of backgrounds: social, intellectual, economic, ethnic and religious, who possess wide range of talents and abilities. "We shall always place education side by side with instruction; the mind will not be cultivated at the expense of the heart." With zeal, we shall strive to form informed and useful citizens of the earthly society with heavenly values, and integrated morality. While striving to form excellent persons through our mission of education, we shall try "to blend gentleness with firmness, prudence, and vigilance, which is the secret of successful education."

### **OBJECTIVES**

1. To provide education, geared to the promotion, advancement, and sharing of knowledge for the development of Catholics and others to the extent possible.
2. To train children, youth and adults to become good citizens of India, imbued with zeal and the spirit of service proclaimed by the teachings of Jesus Christ.
3. To develop integrity and moral stamina and unselfish idealism in the students through teaching and other activities of the school.
4. To instill in the young minds that human beings are inter dependent beings and that no one is to be discriminated against based on the color of the skin, religion, the place of birth and status.

### **PROSPECTUS**

## **EDUCATION MINISTRY OF HOLY CROSS**

In 1837 **Fr. Basil Moreau**, the Founder of the Congregation of Sante Croix, (Holy Cross), envisioned education as the main source of empowering the young for a better and brighter world and to uplift the broken society of France. He prepared men and women religious, who wanted to see the world as he saw it, developed and empowered. To this end he founded a Congregation of priests to do pastoral and educational ministry, Marianite sisters to do educational and domestic ministry and he incorporated the Brothers of St. Joseph to do formal and non-formal education. These three branches were brought under the one umbrella of **Sante Croix** (Holy Cross). Thus Fr. Basil Moreau became a visionary who constantly spoke on the theme of unity as a family to keep the members focused on this meaningful mission of sowing the seed of **LOVE** and **PEACE**.

**France:** In 1789, the French Revolution, which rebelled against the political and religious oppression of the day, stripped the country to the bare minimum and created destruction and chaos throughout France. It was a time of great confusion and division in the church, a period of uncertainty and fear, a period of execution and persecution, and a period when the churches, schools, and seminaries were all nationalized. Religious congregations and organizations were banned.

In 1802, Napoleon's Concordat made a breakthrough for the revival of the church organizations. There was a mushrooming of charismatic persons and organizations to answer to the needs of the devastating situation of the society. Education was one of the greatest needs of the time. The religious leaders focused all their resources on education and on restoring the fallen society.

One such religious leader was Basil Anthony Moreau, born on February 11, 1799, to Louis and Louise Moreau. He was the ninth of their fourteen children and showed a quick intelligence and qualities of leadership along with a pious character. He was ordained a priest on August 12, 1821, at the age of 22. Since the formation of the clergy was one of the urgent needs of the time, he was asked by his bishop to train and educate the youth of his time for the priesthood. Thus, he became a professor at the philosophy house of the seminary in the Diocese of Le Mans, France.

Soon the international character of the community began to evolve. The Holy Cross priests, sisters, and brothers established the foundation in Algeria (1840), the United States (1842), Canada (1847), Chile (1943), East Bengal (1853) and in India (1960).

**Saint Andre School, Bodhjunnagar, Tripura:** Saint Andre School, Bodhjunnagar was started as a result of the felt need of the people of surrounding villages by a local managing committee in the year 1986, with 12 children and one master. Due to a lack of proper facilities and experience, the people offered the school to the Holy Cross Fathers in the year 1991. Since then Saint Andre school has been managed and administered by the Holy Cross Educational Foundation. The members of the Society of the Fathers of Holy Cross are Catholics, a minority community.

## **II. HOLY CROSS TRADITION IN EDUCATION**

**For many of us in the Holy Cross, mission expresses itself in the education of youth in schools, colleges, and universities. For others, our mission as educators takes place in parishes and other ministries (Constitutions of the Congregation of Holy Cross 2, 16).**

**Teaching in the Holy Cross tradition is clearly a ministry of the Congregation. In our teaching and preaching, we confront the truth of the Gospel.**

Jesus our master, called his disciples to be fishers of men and proclaimers of the Kingdom of God (Mk. 3/1 3-1 5). Jesus taught with authority about God's Kingdom (Lk. 1/22). He called the disciples to be with him, to bring liberty to the captives and to proclaim the good news to the poor. Fr. Moreau wrote, *"We shall always place education side by side with instructions; the mind will not be cultivated at the expense of the heart"* (Circular Letters.36).

The Holy Cross tradition of operating a school and teaching young people began in post-revolutionary France at a time in which Christian education was a crucial concern. For Fr. Moreau, the vocation of a teacher was a special call from God as important as God's call to the religious life. Fr. Moreau defined a Holy Cross education when he said that true education consisted in forming the hearts of young people.

Holy Cross Education has the following characteristics:

- A Holy Cross School serves a diverse population.
- A Holy Cross School finds ways of providing educational opportunities for the poor and disadvantaged, even at the cost of considerable sacrifice.
- A Holy Cross School is a community and family.
- A Holy Cross School's service includes helping students to get the best education possible.
- A Holy Cross School selects and retains teachers with great care.
- A Holy Cross School helps students become active and informed citizens and instill in them a strong sense of personal self-worth and feelings of accomplishment.
- A Holy Cross School provides an orderly learning environment with efficient and well-maintained facilities.

Lord make me an instrument of thy peace.....  
Where there is hatred, let me sow love;  
Where there is injury, pardon;

Where there is doubt, faith;  
Where there is despair, hope;  
Where there is darkness, light;  
Where there is sadness, joy;  
O Divine Master, Grant that I may not  
So much seek to be consoled as to console,  
To be understood as to understand,  
To be loved as to love  
For it is in pardoning that we are pardoned;  
And it is in dying that we are born to eternal life.  
(*St. Francis of Assisi*)

Light she was and like a fairy  
And her shoes were number nine,  
Her ring boxes without topses  
Sandals were for Clementine.  
Drove the ducklings to the water,  
Every morning just at nine  
Stuck her foot against a splinter  
Fell into the foaming brim.  
Rosy lips above the water,  
Blowing bubbles mighty pine.  
But, alas I was no swimmer,  
So I lost my Clementine.  
Then the miner, forty-niner.  
Soon began to peak and pine,  
Thought he ought to join his daughter,  
Now he's with his Clementine

In a one horse open sleigh

Sleighbing song tonight.

2. A day or two ago,  
I through I'd take a ride;  
And soon Miss Fannie Bright was seated by my side;

Misfortune seemed his lot,  
He got into drafting bank,  
And we got so upset.
3. Now the ground is white,  
Go it while you're young,

You'll take the lead

### **You Raise Me Up**

When I am down, and, oh, my soul, so weary

When troubles come, and my heart burdened be  
Then, I am still and wait here in the silence  
Until you come and sit awhile with me  
You raise me up, so I can stand on mountains  
You raise me up to walk on stormy seas  
I am strong when I am on your shoulders  
You raise me up to more than I can be  
There is no life - no life without its hunger  
Each restless heart beats so imperfectly  
But when you come and I am filled with wonder  
Sometimes, I think I glimpse eternity

### Who am I

1. Who am I, that the Lord of all the earth  
Would care to know my name  
Would care to feel my hurt?  
Who am I, that the bright and morning star  
Would choose to light the way  
For my ever wandering heart?  
Not because of who I am  
But because of what you've done  
Not because of what I've done  
But because of who you are  
I am a flower quickly fading  
Here today and gone tomorrow  
A wave tossed in the ocean  
A vapor in the wind  
Still you hear me when I'm calling  
Lord, you catch me when I'm falling  
And you've told me who I am  
I am yours I am yours
2. Who am I, that the eyes that see my sin  
Would look on me with love  
And watch me rise again?  
Who am I, that the voice that calmed the sea  
Would call out through the rain  
And calm the storm in me?
